

Marina Rules

(To be read in conjunction with Marina Terms and Conditions)

1. Only craft in seaworthy condition will be admitted to the Marina, or any part of the areas or waters within the Marina. Occupants of the Marina shall keep their craft in such condition that it does not become unsightly or dilapidated or reflect unfavourably upon the reputation and appearance of the Marina. Any craft found to be in contravention of this By-law will be requested to vacate the Marina.
2. Craft within the Marina shall be registered, equipped and maintained as required by law and safe practice, with particular attention to adequate fire fighting equipment.
3. When a craft enters the Marina it shall immediately come under the jurisdiction of the Marina Manager and on occasion Marina Employees, and shall be berthed and manoeuvred only where directed.
4. Occupants of Marina berths shall provide and maintain their own mooring lines to standards and specifications approved by the Marina and Yard Manager. Port Geographe Marina reserve the right to renew, replace or make good any mooring lines at the Marina berth occupant's expense.
5. Occupants of Marina berths shall ensure that no loose ropes float or obstruct in any way the adjacent berths.
6. Craft in the Marina shall be moored in a manner that prevents any part of the craft or attachment thereto from projecting over the walkway. This requirement shall be met regardless of the wind direction.
7. The Marina walkways shall be kept clear of all gear, including dinghies and trolleys and shall be immediately returned to their proper place at the shore end of the Marina immediately after use. Equipment may be left temporarily on the mooring fingers of the Marina only by prior agreement between the occupants of that mooring finger.
8. Equipment and fittings may only be permanently affixed to the Marina structure after prior approval from the Marina Manager and in accordance with guidelines established by the Marina management.
9. Occupants of Marina berths shall forthwith remove from the Marina to waste bins provided at side gate of the Marina nearest to public car park, all waste and rubbish brought upon or generated within the craft or the Marina.
10. Major repairs, painting and fitting of or to craft in the Marina is prohibited. Minor repairs, painting, mechanical adjustments and electrical work is permitted provided that no nuisance or interference with or danger to others using the Marina is caused by such work.
11. Toilets, oil, chemicals, spirits, inflammables and oily bilges shall not be discharged into the waters of the Marina.
12. Fish must not be cleaned in the Marina.
13. Laundry of any type or any item of a personal nature shall not be hung to dry out or air in public view aboard or from any craft in the Marina.
14. Living onboard vessels in the Marina is **NOT** permitted with-out, prior approval from the PGM Office.
15. Speed limits set for the Marina as displayed and/or advertised from time to time, shall be observed within, departing from, or when approaching the Marina.
16. Any collision or damage within or to any part of the Marina shall be reported to the PGM Office within 24 hours of the occurrence.
17. A Pen Licensee who sells or otherwise disposes of his vessel and has an allocated Marina Berth must remove that vessel within 30 days of such sale or disposal and inform the PGM Office immediately thereafter, unless the purchaser will be renting a Marina Berth.
18. Boat owners wishing to use contractors to work on their boats whilst in the Marina, shall use only contractors who have been authorised in accordance with Marina Management.
19. Persons working on boats whilst in the Marina shall use only tools and equipment that are safe and fit for the purpose.
20. Electrical equipment connected to shore power shall be of a type that is safe and fit for the purpose. As per PGM Connection to Marina power document. Electrical cords not compliant will be disconnected immediately.
21. Visiting Boats occupying designated Visitors Berths shall comply with the Term and Conditions of the Marina.

I, the licensee have read and understood Marina Rules. I acknowledge that failure to comply may result in Wet pen license being cancelled.
